

Stavanger footbridge in Norway

It is in Stavanger, 4th biggest city of the country, that a **44-meters long LEC handrail** was installed on a footbridge that guides walkers to a historic Viking sight.

The city of Stavanger wanted long-lasting lighting material that would resist to extreme weather conditions.

Contracting Authority: Stavanger Kommune
Specifier: Urbis
Installer: Lysfix and Lyse Elnett
Photos: Nanco F.S. Hoogstad.
