

## Indian Pavilion, Courbevoie

Historical Monument: The Indian Pavilion in Courbevoie

Neglected for decades, the Indian Pavilion in Courbevoie was restored in 2013.

Its facade is enhanced with the linear 5620-Brunei lightbars as well as the 4020-Luminy 2 spotlights with no lens in warm white to up-light the golden domes.

Specifier: Stéphane Marets (heritage architect), assistant of Frédéric Didier (chief architect of historical monuments)
